

## **Malta Canine Society Show- February 2005**

### **Show Report - Judges Ms. Marion Sargent & Mr. Graham Eaton Cruz**

We would like to thank the Committee of the Maltese Canine Society for inviting us to judge their show and their hospitality. We both thoroughly enjoyed ourselves, and you have some lovely dogs in Malta. Malta is a lovely country and the weather was very kind most of the time to us. Special thanks to Vanessa, for ferrying us around and making our judging more enjoyable.

**BIS - CH. KANSAI A DANGEROUS BOY, PEKINGESE**

**RBIS - AESIR THE SKY GOD - BULL TERRIER**

**BPIS - MORALIS GOLDEN BLISS - SPANIEL (COCKER)**

**RBPI - NURMAH NIGHTS IN WHITE SATIN - SHIH TZU**

**TERRIER GROUP - Ch.AESIR THE SKY GOD - BULL TERRIER**, took my eye, lovely shape and size, well muscled, well developed head, typical eye with a wicked glint, strong bone throughout, covered the ground with ease, to be critical would like tail to be carried slightly higher. Looked the part in BIS and couldn't be denied RBIS

**RESERVE TERRIER GROUP - FEARLES GURU OF MANITOU - STAFFORDSHIRE BULL TERRIER**, Nice type of Staffy, good size, pleasing head, with good eye and ear. Good wide front tapering to rear, could do with more muscle but still a baby.

**PUPPY TERRIER GROUP - FEARLES GURU OF MANITOU - STAFFORDSHIRE BULL TERRIER**

**RESERVE PUPPY TERRIER GROUP - MIZZIBULL'S BLAST FROM THE PAST - BULL TERRIER** - Very raw puppy with potential, good head type, needs to muscle up more. Erratic on move.

**TOY GROUP - CH. KANSAI A DANGEROUS BOY**, this Peke took my eye as soon as he came in the ring. Lovely wide head, good broad skull, short nose. Good clear eyes, good angulations front and rear, presented extremely well, this dog was so sound on the move, he could not be denied this BIS win.

**RESERVE TOY GROUP - CH. MARBELTON DREAMSTORM GLAD EYES - PUG**  
This Pug came from a good entry of Pugs which I judged earlier. Typical cobby body, pleasing head and skull, very good eyes with that wicked glint in them. Good button ear. Slightly arched neck but thick and strong. Good angulation front and rear, good topline, Lovely tail with good set. Another lovely mover,

**PUPPY TOY GROUP - DERMICKLEOVER TOMBEAU - CKCS** - raw puppy, pleasing stop and skull, good broad muzzle and nice eye. Slightly straighter in angulation, which showed in movement. Needs to body up and mature which will come in time.

**RESERVE PUPPY TOY GROUP - KIMSEY - YORKSHIRE TERRIER**. This puppy needs to be developed for the show ring, very nervy and unsure of herself at the moment.

**UTILITY GROUP - AWESOME BULLS LES PORTES DU SOLEIL - FRENCH BULLDOG.** This dog came into his own in the group. During the breed he hadn't really shown himself to his full advantage, Lovely head type, good flat skull with good domed forehead, broad muzzle, well developed cheeks, good eye, well set ears of correct size. When in the group ring showed his socks off, which showed his roach, and narrowing at loin. Good feet. Moved freely round the ring.

**RESERVE UTILITY GROUP - ENG. CH. AEDAN DOUBLE DARE - POODLE (TOY)** - Another lovely dog, shown in immaculate condition. Lovely head, well chiselled, good eye. Good length of neck. Going into well laid back shoulders, well sprung ribs and nice short back, well muscled rear quarters, well set tail, moved well with plenty of drive. Just unfortunate on this occasion, as the French decided to show.

**PUPPY UTILITY GROUP - NURMAH NIGHTS IN WHITE SATIN - SHIH TZU**, lovely Shih Tzu puppy , good broad head, nice width of muzzle, and good stop. Well rounded eye placed well apart but keeping the warm expression. Well set ears. Nice angulated front and rear, good length of body, well set tail. Good coat which needs to settle with age. Moved well for one so young.

**RESERVE PUPPY UTILITY GROUP - BOGERUDMTRA'S OLIVE - BOSTON TERRIER**, lovely little lightweight puppy, so much going for her, could quite happily put her in my pocket. Superb head type, lovely eye, good ear set, body all in proportion, good front and rear, well muscled, moved round the ring well.
