

## Malta Canine Society 2<sup>nd</sup> and 3<sup>rd</sup> June 2018

### Day 2

#### Junior Handlers.

I was so impressed with these youngsters, they were extremely smart showing great compassion to their dogs really drawing the best from them. So professional, there was very little to divide them in their ability to handle. My winner was Riona Manicaro, followed by Paula Cuschieri in 2<sup>nd</sup> place and Mariah Manicaro in 3<sup>rd</sup>. Even in the younger class there were some potentially very good handlers, my winner being Caiden Parascandalo followed by Emerson Schembri and Andrea Scicluna.
